

# Celebration of Land Grant Research

Thursday, April 9, 2020

3 p.m.

101 Cameron Williams Lecture Hall,  
UK Plant Science Building

*Students, faculty, and staff are cordially invited to attend the lecture, as well as a reception immediately following outside the Cameron Williams Lecture Hall.*

---

**Guest Speaker: Dr. Scott Hutchins,**

**Deputy Under Secretary for Research, Education, and Economics, USDA**

Followed by the presentation of the CAFE faculty research awards.

---

This public lecture series brings outstanding leaders and thinkers to UK to discuss the impacts of agricultural technology and policy in the context of the importance of the land-grant mission.
